The application is translated into nine languages other than English. In the account, you can see a child's attendance, grades, test scores, Fitnessgram results, enrollment history, and schedule.

The website header includes the NYC Department of Education logo and the LearnDOE logo with the tagline "Online learning by and for NYCDOE professionals." Below the header is a navigation menu with links for Home, Recordings, Tech Check, and Contact. The main content area features a "Welcome" section titled "Return to School Family and Student Information Session" and a sub-heading "Attend to learn more about the Department of Education plans for the 2020-21 school year." A paragraph of text instructs users to select a date for registration. Two registration options are listed in a list: "+ CITYWIDE - August 12, 2020 | 6:30pm-8:00pm" and "+ CITYWIDE - August 27, 2020 | 6:30pm-8:00pm". School Year 2020-2021

This fall, your child's school will offer a combination of in-person and remote learning. You can choose from two options:

1. 100% Remote Learning: Opt in to have your child learn 100% remotely (all online, from home). **To choose this option for your child, fill out and submit this form.** If you are having difficulties completing this form online, call 311.

OR

2. Combination of In-Person and Remote Learning: Your child can follow their school's schedule, a mix of in-person days at school and remote learning days from home. Your school will be in touch about its schedule and programming plans in the coming weeks. Please visit the [Return to School 2020](#) pages on the website for more information.

Changing Preferences

- If you chose 100% Remote Learning but want to change your child's preference back to Blended Learning, complete this form again by August 7.
- After August 7, any family who chose 100% Remote Learning will have the option to change back to Blended Learning at a few specific times during the school year.
- If no form is submitted for a child, the default for that student will be Blended Learning.

This form does not apply to charter schools. If your child attends a charter school, please reach out to the school directly to discuss remote learning options.
